

East Winds Resort

It is with great sadness that we announce the temporary closure of East Winds Resort from 1st April, 2020. Given the international developments related to COVID-19, and as part of our ongoing effort to reduce the spread, we will suspend operations in the Hotel until further notice.

This decision to close has not been taken lightly, but is required for the well-being of the East Winds staff, our guests and the St Lucian community. We want to take this opportunity to thank our team for their dedication during the last few difficult and uncertain weeks.

To our guests, thank you for your understanding and loyalty. We will continue to post updates on our website and other social media platforms. Our phone lines will remain open for future bookings, changes of existing reservations and any questions or concerns you may have.

Take care of your family and stay safe. We look forward to welcoming you to East Winds and the beautiful island of St Lucia when things are back to normal.

With Warm wishes,
Judith
