

18 March 2020

TRAVEL ADVISORY

Out of growing concerns for COVID 19, the Government of Saint Lucia has put in place travel restrictions for; **Mainland China, Hong Kong, the Republic of Korea, Italy, Singapore, Spain, UK, Germany, and Mainland France and by Extension Guadeloupe, Martinique, Saint-Barthélemy, Saint Martin and French Guiana**, whether in transit or originating.

All yachting and pleasure craft calls into Saint Lucia are suspended until further notice.

This is a dynamic situation and one that many countries are facing. However, **if you are booked to travel to Saint Lucia on or after March 18, 2020** please contact your travel provider in the first instance.

Please refer to your Tour Operator, Travel Agent or accommodation provider for any modifications to your bookings. At present, there has been no time limit specified on the extended travel restrictions by Saint Lucia's Department of Health and Wellness, as they continue to monitor the fluidity of the impact of COVID-19.

No time limit has been specified on the extended travel restrictions by Saint Lucia's Department of Health and Wellness, as they continue to monitor the fluidity of the impact of COVID-19.

Visitors and returning nationals are subject to surveillance measures including the utilization of advance passenger information, immigration screening, and monitoring by Port Health Authorities. All current and proposed actions are based on the level of risk determined by Public Health authorities. The Department of Health and Wellness also has a robust system underway for quarantine, testing and medical aid.

If you are already in Saint Lucia and your departure date falls on or after March 18, 2020. Please check with your airline immediately for updated information.
