

INFORMATION FOR SAINT LUCIANS TRAVELING OVERSEAS

COVID-19 PCR TEST FOR TRAVEL PURPOSES

The Ministry of Health and Wellness informs the public that people travelling out of Saint Lucia that require a COVID-19 PCR test can access this service at the Gros-Islet Polyclinic or the Vieux-Fort Wellness Centre.

Swabbing for the COVID-19 PCR test will only be available at the two centres on **Monday to Friday from 8:00 a.m. to 4:00 p.m.**

The cost of the COVID-19 PCR test is **US \$100 or EC \$267** to be paid at the Gros-Islet Polyclinic or the Vieux-Fort Wellness Centre.

Travelers are advised to walk with a valid form of identification (ID card) when accessing services at the Gros-Islet Polyclinic, Vieux-Fort Wellness Centre and the Victoria Hospital. It is recommended that travelers come in at least 3 days/ 72 hours before scheduled travel date.

All persons coming to conduct business at the Gros-Islet Polyclinic, Vieux-Fort Wellness Centre or the Victoria Hospital must wear a mask before entering the facilities. All hands will be sanitized with an alcohol-based solution.

The Ministry of Health will continue to take the necessary measures to ensure the health and safety of all staff and patients during the COVID-19 pandemic.
